Highly Recommended

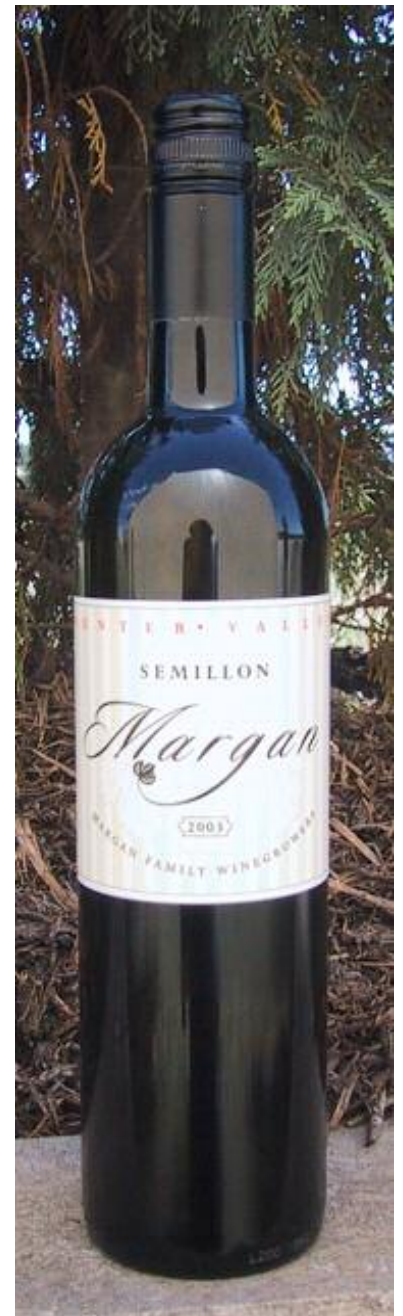

“MARGAN HUNTER VALLEY 2003 SEMILLON

Richly flavoured and geared to relatively early drinking, but the balance is excellent, and the peachy aromas and flavours are very attractive. Well made. *Highly Recommended, The Panel*”

“MARGAN HUNTER VALLEY 2003 SHIRAZ SAIGNEE

This is a very well made summer rosé style. The fragrantly red-fruity nose and crisp, fruit-sweet palate make it very gulpable indeed. The package and eye-catching pink colour add to the attraction. *Highly Recommended*” *Lester Jesberg*
