

Top Drawer - Margan 2005

Semillon, Verdelho and Shiraz Saignee

“Andrew Margan continues to produce palate-catching wines from his vineyard at Broke in the Hunter Valley. Having cut his teeth at Tyrrell’s, Margan stepped up to the plate under his own shingle in 1997 and the meticulous attention he applies to his winemaking was always going to produce top rewards.

His semillon and verdelho from vintage 2005 are top drawer, as is his 2005 light red Shiraz Saignee which is a big hit served chilled.”
