“Wine quality is consistently good. The rammed earth cellar door and restaurant are highly recommended.”

## **94 Points** - Margan White Label Limited Release Shiraz 2005

A complex wine with exceptional balance from start to finish; blackberry fruit, spice, fine French oak and ripe tannins are seamlessly interwoven; perfect line.

## **94 Points** - Margan White Label Shiraz Mourvedre 2005

A rich, sumptuous palate, with ripe black fruits, the shiraz utterly dominant; very good texture, structure and activity in the mouth.

## **92 Points** - Margan Botrytis Semillon 2007

As ever, extremely sweet and unctuously rich; lemon preserve fruit flavours, with citrusy acidity offsetting the sweetness; half a tonne to the acre.

## **92 Points** - Margan White Label Limited Release Semillon 2006

Generous, sweet lemon fruit with touches of lightly browned toast.

## **91 Points** - Margan White Label Limited Release Shiraz 2006

Strong colour; abundant black fruits ranging through blackberry, prune and plum; earthy regional characters lurk underneath, and will develop with time.

## **90 Points** - Margan White Label Limited Cabernet Merlot 2005

A potent wine, the blackcurrant and cassis fruit backed by strong earthy/savoury tannins; patience should be rewarded.

## **89 Points** - Margan Shiraz 2005

A hint of reduction on the bouquet; medium to full-bodied, with ripe blackberry fruit; gentle, ripe tannins and balanced French oak.

## **88 Points** - Margan Merlot 2005

Abundant flavour in a soft, cushioned envelope style; sweet red fruits offset by slightly savoury, regional tannins.
